Couples who book the 'Enchanting Cuba' package before 28 February 2018 will even receive a £290 discount per person, making it the perfect gift for Valentine's Day!

Those looking for a romantic escape with their loved one will not be disappointed with Cuba's fantastic offering. Cuba Direct's new package includes:

### **Discover Cuba's Lively Capital**

With its colonial architecture and bustling neighbourhoods, Havana is bursting with authentic Cuban history and culture. The neighbourhood of Habana Vieja (Old Havana) in particular, offers a fascinating insight into Cuba's rich heritage. The UNESCO World Heritage site has more than 900 landmarks waiting to be discovered, from the Presidential Palace to the Cathedral Square.

### **Green and Pleasant Land**

Leave behind the bustle of Havana for laidback living in the valley of Viñales. Couples can enjoy a taste of life in the valley by exploring the beautiful land on foot or on horseback, before retreating to the picturesque village of Viñales for a home-cooked Cuban meal during an authentic home stay experience.

### **The City Stopped in Time**

Trinidad appears frozen in 1800s and is Cuba's best example of a colonial town. Nestled between the ocean and the mountains, the town has been beautifully restored and combines more than five centuries of culture, traditions and history. It has an impressive Historic Centre, which was declared a World Cultural Heritage Site by UNESCO in 1988.

### **Discover a Paradise Island**

The island of Cayo Santa María is a tropical haven, with true natural beauty and is one of the most picturesque beach destinations in the Caribbean. Cayo Santa Maria's main attraction is its 13km of

white sand beaches, which are all located along the northern coast of the island, while the south coast boasts plush forests, salt marshes and mangroves.

**The “Enchanting Cuba” package:**

The package includes 11 nights’ accommodation (two people sharing), transfers, and representation services. Travel should take place between 1 February – 31 July 2018, and couples who book before 28 February 2018 will receive a £290 discount per person – making a total price for two people £1,598 instead of £2,178. Dates excluded are 30th March - 2nd April 2018. Package excludes international flights.
