**Madrid, 20th September 2019.** NH Collection, NH Hotel Group's upper-upscale brand, has extended its reach in northern Europe with new properties in Munich and Antwerp. ### Munich and a bird's-eye view of the Alps

One of Munich's oldest skyscrapers is now home to the [NH Collection München Bavaria](#), which offers unique and extraordinary views of the Germany's third largest city and the Alps.

Previously known as the NH Deutscher Kaiser, the hotel's new look was devised by the interior designers at Spain's TBC Interiorismo, inspired by the city's identity, giving way to a fusion of elegance and industrial style, with a welcoming and modern interior in which the transparent materials and candid colours form a delicate balance echoing the city itself.

The jewel in its crown is unquestionably the Alpenblick meeting room on the 16th floor at a height of nearly 95 metres, giving it spectacular views over the city and Alps.

The hotel is located in the heart of the city near to the central train station, from where it is a short walk to the old part of town crossing the Karlsplatz and

Karlstor, the gate that used to serve as the entrance to the walled city from the thirteenth until eighteenth century. Once in the city centre, guests can enjoy a host of attractions such as the Marienplatz, the city's geographical centre-point, the Neues Rathaus, the city hall with its characteristic neo-gothic style, the iconic Frauenkirche (Church of Our Lady) and Kaufingerstraße, the famous shopping street, among others.

## Rediscover Antwerp in all its luxury

Antwerp, the world's diamond capital, welcomes the new [NH Collection Antwerp Centre](#), a modern and elegant hotel in which guests are transported from the Flemish' city's bustling centre to an oasis in which exuberant vegetation, subtle use of colour, brass finishes and natural shades create a soft and relaxing atmosphere. The real attraction, however, is the inner garden, an urban jungle in the heart of the hotel which can be enjoyed from every corner of the property thanks to its tall windows.

The new NH Collection Antwerp Centre is the group's first hotel in this city and its third in Belgium. It has 186 rooms, six flexible meeting and event rooms with a capacity for 110 people and a private car park.

To give guests the best possible start to the day, the hotel offers an excellent breakfast, including delicious Belgian waffles in addition to other local and international specialities.
