Editor's notes:

Travel Indochina has been operating Small Group Journeys and tailor-made travel to the "real" Asia for 20 years. Today, the company features the widest range of itineraries of departures to [Vietnam](#), [Cambodia](#) and [Laos](#) than any other tour operator in the UK, as well as a large variety of journeys to [Thailand](#), [Burma](#), [China and Tibet](#), [India](#), [Japan](#), [Bhutan](#), [Mongolia](#) and [Sri Lanka](#). Unlike many other travel companies, Travel Indochina limits its group size to a maximum of 16 people. These smaller groups enable travellers to gain the best from both worlds – greater access to the local culture and plenty of opportunities for independent exploration.
