

TRAVEL INDOCHINA LAUNCHES NEW 2015-16 PREVIEW BROCHURE

Specialist operator announces early bird savings, trade incentives and lower prices!

12th September 2014 – Leading Asia specialist, [Travel Indochina](http://www.travelindochina.com), has launched its 2015-16 preview brochure featuring reduced prices across its range of escorted Small Group Journeys, fantastic early bird savings and a great incentive deal for travel agents to win two tickets to Vietnam or Indochina!

The new, eight-page preview brochure showcases the operator's top-selling Small Group Journeys to Asia. To mark its launch, travel partners can offer early booking customers savings of up to 10% per person on Travel Indochina's entire Small Group Journeys programme. This includes over 70 itineraries across 11 countries and many cross-border trips, with more than 1,000 guaranteed departures to choose from.

Among the great offers available customers can experience Vietnam's diversity on the operator's 11-night '[Vietnam Insight](#)' journey, with air-inclusive prices starting from just £1,830 per person – representing an early bird saving of £260 per couple. Alternatively, Travel Indochina's 13-day '[Burma Revealed](#)' journey reveals the highlights of this magical Kingdom and comes with an early bird discount of £300 per couple, with prices now from just £2,895 per person.

These fantastic early bird discounts include air travel with Vietnam Airlines and Qatar Airways, plus the combined advantage of local English-speaking guides and a Western tour leader (based on a minimum of 7 travellers) and much more. They are available on all bookings made by 31st October 2014, for travel between 1st March and 31st December 2015*.

As an added sales incentive, Travel Indochina is offering agents the chance to win two tickets to Vietnam or Indochina with Vietnam Airlines. Running until 31st October 2014, every travel agent who books ground arrangements including international air with Vietnam's national carrier will be entered into a prize draw to win two air tickets or one of ten £15 Love2shop vouchers.**

Travel Indochina's new preview brochure is designed to further assist trade sales with the addition of more tour inclusions than ever before - such as prices inclusive of all 'incidental' tipping, most portage and a farewell dinner - while limiting its price increases to ensure year-on-year cost reductions across the board. Agents can order their Travel Indochina 2015-16 preview brochure from Trade-Gate. The specialist tour operator's complete Small Group Journeys brochure will be available at the end of October and includes seven new journeys for 2015.

*Early bird savings apply to the touring element of the featured Small Group Journeys. Valid for new bookings made by 31st October 2014, based on departures between 1st March - 31st December 2015 only. Subject to availability and price changes. Terms and conditions apply.

**Incentive offer includes two air tickets with Vietnam Airlines to Vietnam or an Indochina destination. Valid for travel April - June 2015. Up to 10 Love2shop vouchers are available to claim. Conditions apply.

Editor's notes:

Travel Indochina has been operating Small Group Journeys and tailor-made travel to the "real" Asia for 21 years. Today, the company features the widest range of itineraries and departures to [Vietnam](#), [Cambodia](#) and [Laos](#) than any other tour operator in the UK, as well as a large variety of journeys to [Thailand](#), [Burma](#), [China and Tibet](#), [India](#), [Japan](#), [Bhutan](#), [Mongolia](#) and [Sri Lanka](#). Unlike many other travel companies, Travel Indochina limits its group size to a maximum of 16 people. These smaller groups enable travellers to gain the best from both worlds – greater access to the local culture and plenty of opportunities for independent exploration.
