Hotel group's 'Cycling Package' invites guests to tour like Team Sky

14th September 2015 – Award-winning hotel group, Adrián Hoteles, is giving cycling enthusiasts the chance to follow in the footsteps of Britain's professional cycling group with a superb 'Cycling Package' that enables them to explore Team Sky's training locations in Tenerife.

The 'Cycling Package' is available at the family-run company's three luxury properties in the coastal resort of Costa Adeje: 5* [Hotel Jardines de Nivaria](#); 5* [Roca Nivaria Gran Hotel](#) and 4* adults-only [Hotel Colón Guanahani](#). Each hotel is conveniently located close to the roads leading to the volcanic Teide National Park, the location chosen by Tour de France winners Sir Bradley Wiggins, Chris Froome and Alberto Contador to train for major cycling competitions.

The 'Cycling Package' combines an idyllic hotel stay and many guest benefits, including a four-day carbon fibre bike rental for cyclists to discover the most beautiful corners of the largest island in the Canaries on two wheels, plus a spa massage to revitalise cyclists' weary muscles. All inclusions are as follows:

- Seven nights' accommodation on a half board basis with daily buffet breakfast and dinner
- Welcome drink of sparkling wine
- Rental of a carbon fibre street bike for 4 days (helmet included)
- A 60-minute relaxing massage or a 25-minute post-training massage (depending on the hotel) and complimentary spa access

A popular destination for sporting fans, Tenerife boasts a year-round warm climate and a variety of landscapes that guarantee an amazing cycling experience for visitors. As well as the demanding cycle routes available at Teide National Park, with its high altitude favoured by Team Sky, the island offers a wide network of mountain biking trails through volcanic territories, lush valleys and pristine pine tree forests.
